With a repeating billboard ad, your company will be noticed again and again as users thumb through the Polk City Directory. Your ad will repeat throughout the Alphabetical, Telephone Key and Street Guide Sections.

Your ad is highly visible as it can appear on the top of the page, or on the outside edge of a page...the choice is yours!

## DID YOU KNOW?

62% of all ideas are accepted only after they are presented for the 6th time. How do we know planned repetition works?

## Planned repetition worked in school:

Spelling - Reading - Multiplication Tables - Etc.

## Planned repetition worked at home:

Tying Shoes - Nursery Rhymes - Personal Habits - Etc.

## Use planned repetition for your business!

Without planned repetition, if you gave your idea to 100 people just one time...

1 day later...25% would not recollect.

2 days later...50% would not remember.

4 days later...85% would not recall.

7 days later...97% would have forgotten.
